The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-305, the Capitol  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the project, Multi-Use-Mobile-Command Vehicle for the Town of Hempstead Public Safety Department, in fiscal year 2024. The entity to receive funding for this project is the Town of Hempstead, located at One Washington Street, Hempstead, NY 11550. The funding would be used to purchase a Multi-Use Mobile Command Vehicle (MMCV) that will be deployed by the Town to improve or reestablish communication and coordination during emergency incidents and special security events Townwide. The project is an appropriate use of taxpayer funds because the MMCV will play a critical role in public safety with both its daily operation and rapid response capabilities. It will also enhance interoperability among Town, County, State or Federal agencies if needed.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Anthony D'Esposito  
Member of Congress
